

Subject: Payroll Made Simple for Hotel Operators

Body:

(Client First Name):

As your trusted accounting services provider, I continually strive to find ways to help you manage your entire business. That's why I am really excited to tell you about a partnership with Netchex.

Netchex is a full-service payroll provider that makes managing your business a breeze. They handle everything from payroll, benefits administration, and tax compliance – all in one easy to use system.

They are dedicated to the hospitality space with over 25% of their revenue coming from our industry. Leaders in the hotel industry have touted Netchex's single-source solution for smarter hiring, streamlined onboarding, and 360 Compliance, among other benefits. To learn more about the partnership and see what other hotel operators say about Netchex, visit www.netchexonline.com

I'd also love to introduce you to a Netchex representative for a 20-minute conversation to review your payroll processes and to see if they can help you make this one of your most productive years. Do you have time on your calendar this week?

Regards,

(M3 Sales Representative)
